About This Game

ALPHA TEST. This multiplayer on-line game is about treasure hunters.

Do you like to wander alone through endless sands and stone deserts? Do you like the long quest for treasures and artifacts?

Aren't you afraid of evil monsters and hidden robbers? Do you like craft and money?

Welcome to Wanderfog! Welcome to sands and rocks of the Dead Sea, treasure hunter!

Find treasures and artifacts in the poisonous fog and try to come back alive to sell them. Gold, crystals, coins and ancient weapons. Everything can be bought and sold here either you found, crafted or robbed it. Remember one thing - it will be long and lonesome to wander around these sands and reefs and to fight with monsters and other players robbers. We are sure that you will be strong and careful and you will have best weapon and armor.

You can find the artifact in 30 minutes and get money . Or lose a whole day and get nothing. Such a game. This is a joke of the goddess Seamoon. But you have a lot of chances to catch your luck. Don't worry.

All characters are of THIRD level. This is cool, because there will be only four levels.

You get the whole level of crafting, speed and searching for artifacts.

The whole world - 30 km to search.

Valuable artifacts. Powerful weapons.

Play and become rich!
